

## Pre – Course Guidance and Advice

- What will be my benefits or my employer's benefits from your services?
- What experience do I need to have to register for a NEBOSH Course?
- Are there any Entry Requirements?
- Does a NEBOSH Course suit my learning needs?

If you are looking for answers to these or any other questions regarding registration to any NEBOSH Course at Class Training, our learning specialists offers Pre-Course Guidance and Advices if you are:

- Unsure what NEBOSH Course is the right one for you
- Looking for a change of direction and want to take the next step
- Looking for a health and safety qualification internationally recognized
- Want advice about course fees and discounts for groups or in-house offers
- More other questions as per your needs

## Our Team will offer

- A free, impartial, one-to-one appointment with our learning specialist to discuss your options for further study and needs
- The learning specialist will make an assessment of your current learning needs
- The learning specialist will make an assessment of language ability if you do not speak English as a first language.
- Advice on what course might do for your career prospects, how to choose the right course and how to successfully complete the qualification
- Full explanations regarding terms and conditions of the learner. Click here for Terms and Conditions

## What can you expect?

- Experienced, trained and committed staff working to provide you the best guidance, advice and information
- Educational guidance as an ongoing process that enables you to explore your options and make choices within the health and safety

## NEBOSH learning support?

- During the course, you will get access to a list of course learning and support materials from NEBOSH to aid your learning all through the programme.
